Introduction

Paradise Children Academy is a Group of Schools whose Branches are located in the most undeveloped area of Bihar, but we try our level to give you the best. The Schools are managed by the Paradise Educational Society which is a registered organization. The schools are renowned for their academy excellence and quality. Founded by a visionary leader Santosh Kumar in the year 2007, the schools continue to stride ahead with the vision to achieve multidimensional transformation of the society under his dynamic and able leadership.

Paradise Group of Family

The school has been established to quench the thirst of quality education in the vicinity of a local Block Town Kudra and serving the area of about 10-15 km all around the town. We are trying our level best to fulfill the hunger of education of the people and getting blessings from their side continuously. We have changed and upgraded itself with all modern infrastructure facilities and technology to enable teaching learning environment our education system and human resources always keep adding in our journey of attaining perfection.

FROM THE DESK OF THE PRINCIPAL

I, Sweta Kumari extend a warm welcome to you all through this prospectus. I will try to give you a realistic view of our school and the education system. Indeed you will feel pride for choosing the school for your beloved child. I congratulate you and your child for the same. I believe that your child is special one and We people of Paradise Children Academy will identify the special feature and let to child excel well in it. We assure you that syllabus for different classes is as per the CBSE catering to the need of NATIONAL EDUCATION POLICY-2020.

We people of PARADISE CHILDREN ACADEMY are child centric and provide collaborative learning environment maintaining culture and tradition of the nation with scientific approach with all modern facilities. We provide opportunity to each child to participate in educational activities, sports and co-curricular activities organized by school frequently. We take care of each and every child in the class and cater the questioning spirit of our students. It's an our priority to inculcate the sense of responsibility among the students and make them responsible to shape the future of the Nation. Our dignity, graciousness, civility and decency reflect the type of education we are giving. We ensure imparting of high quality education at our school as per legacy of our education system.

I look forward to you all the parents/guardians for your best co-operation and supports in our conation to shape our students to be the best in all respect. I conclude with belief that PARADISE CHILDREN ACADEMY will be preferred destination for your learners and committed professionals of the education world.

With warm regards
"Thanking you

Dr. Sweta Singh
Principal

OUR VISION & OUR MISSION

The vision of the School is to bring about wholesome transformation of the individual child through wholesome education so as to facilitate all-round transformation of the society at large.

The School strives to stimulate the intellectual or mental development of the child by providing the knowledge of various disciplines based on the prescribed curriculum in the medium of English.

The School seeks to encourage the child through child-centered teaching techniques and strategies to perform at the top of his/her intrinsic ability so as to help the child develop his/her latent cognitive and psychomotor skills. The School also seeks to develop intellectual versatility in the child through participation in various co-curricular competitions.

The School seeks to bring about true spiritual development of the child through value

education in accordance with the noble teachings of the God. Towards this end, the school attempts to uphold the universally recognized spiritual belief that the Divine Power alone can enlighten and transform the child into a productive wholesome individual who would in turn be able to facilitate the transformation of the society.

The school seeks to inspire the child to internalize the moral values through integrated moral education programmes so as to achieve the moral development. The School firmly upholds the moral virtues such as, determination, integrity, commitment, simplicity, sincerity, self-discipline, sacrifice, sanctity and service.

The school seeks to accomplish the Social development of the child through inculcation of social values and by providing realistic social learning environment in the classrooms in order to develop his or her social abilities, towards this end, the school seeks to promote the universally recognized social values such as love, charity, unity, fraternity, tolerance, peace, harmony, non-violence, interdependence and global-thinking irrespective of caste, credd, community, colour, continent etc.

lastly the school seeks to provide physical learning environment, through games and sports activities, which is conducive for the child to develop his/her physical abilities so as to achieve the physical development of the child.
